## Background

First Renaissance for eGovernance envisioning event in 2010 provided an opportunity for all stakeholders to come together and **gain an understanding of real-world eGovernment and eGovernance issues** and to discuss a way to put research into practice as well as understanding how the future of technology raises both possibilities and challenges in the public sector. See the report on Renaissance for eGovernance & SEE 2010 at [http://www.cegd.eu/renaissance\\_for\\_eGovernance\\_and\\_SEE/report.htm](http://www.cegd.eu/renaissance_for_eGovernance_and_SEE/report.htm).
